

Hi

Gang Show at the Theatre Royal is nearly here. The cast is busy with rehearsals, the back-stage crew are busy preparing props and scenery, so, now we need a Front of House team. In addition to the adult members, we need the help of younger people; Explorer Scouts, Young Leaders, Senior Section and Network members.

As part of The Front of House team, you will be meeting, greeting and selling programmes to members of the audience as they come into the theatre to watch the show.
