Scout network your personal development

This is an action-packed section open to all members of Scouting between 18 to 25 years of age.

Once you are 18 years old your District Scout Network Commissioner can help you join Scout Network.

Scout Network allows you to create, organise and participate in events and projects with other 18 to 25 years olds, either locally or nationally. As a member you can remain part of a local Scout Network or be part of the National Scout Network Unit.

You also have the opportunity to achieve your Chief Scouts Diamond Award, Queens Scout Award or Gold Duke of Edinburgh Award.

For more information, contact the County Office: office@notts-scouts.org.uk or go to the National Scout website: www.ukscoutnetwork.org.uk

Section assistant

Deliver the programme

Section Assistants support the delivery of the programme to youth members. A good role to bridge the gap between the Young Leader and full Sectional Leadership roles.

Section leader

Give something back

Work with young people regularly and directly contribute towards their personal development. You will receive training and support relevant to your role.

It can be exhausting but rewarding!

The student scout and guide organisation

Scouting whilst studying

SSAGO exists to support Scouts and Guides together with enabling people who have never been a member of the organisations to participate in Scouting and Guiding whilst they are students at Colleges and Universities.

Manager or executive committee member

Support adults

This involves either managing other Leaders or acting as a Trustee on an Executive Committee. There are these roles at Group, District or County level. Most young adults do not consider these roles – why not? Talented young managers are required at all levels.

Campsite crew

Look after our assets

Be part of the crew at one of our Activity Centres or Campsites.

Water Activity Centre (Hoveringham), Hemlockstone (Beeston), Hollygate (Cotgrave), Robin Hood (Mansfield), Sherbrooke (Calverton), Stonepit (Gotham).

Adventurous activity instructor

Deliver adventure

At a Campsite or as an Activity Leader. Nottinghamshire has a wide range of Activity Teams from climbing to sailing. Relevant training is available so you can get the appropriate activity permit.

Scout active support

Practical help for scouting

Units exist at Group, District and County level and either offer general support or have a specific function e.g. Gang Show or Adventurous Activity Teams. Most Units also organise some social events for their members.

Other things you should know

Am I limited to just one role as an adult in Scouting?

Of course not, you can be a member in as many ways as you like. Take care not to take on too much though

Do I need to pay membership subs?

Adults in leadership and management roles do not have to pay their own 'subs'. For other roles, this is decided locally.

What do I need to do to join as an adult?

Adults (over 18s) who are members of Scouting and have regular contact with young people (under 18's) will be asked to complete a Disclosure Barring Service (DBS) check. Network members who do not have regular contact with young people will not need a DBS check.

You will receive a yellow card (young people first) and the contents will be explained to you.

You may also be required to go through an Appointments Process (interviewed by an Appointments Advisory Committee) and do some training – See page 7 for more information.

What types of membership are there?

Members can be full (make your preferred Promise) or Associate (you can make the Promise if you wish).

Adult Leader Training
