## Make your very own Rainbow Wish Card

Colour in and draw with paints or crayons or stickers.

Then close your eyes and think who or what you would like to help

And make a wish – write it in your Rainbow.

Cut around the lines – get someone to help you here, then fold the side flaps back.

And there you are – your very own Rainbow Wish Card, made by you.

How good is that!

Thank you for putting your kind thoughts in to the World.
